Overview

Time Management

Naturally, volunteering involves a certain time commitment. swimsa offers a wide variety of roles and positions, offering an option for everyone. For most positions, there are certain deadlines that must be met, however, it is usually possible to freely schedule the time needed. Additionally, the time investment varies strongly depending on the month. In general during the semester it can be quite busy, during exam revision phase everyone is studying and otherwise preoccupied and in the semester break it is a bit calmer. The most important thing is: invest as much time as you enjoy!

Below you will find the basic duties and the amount of time they require. Naturally it is always welcome to go above and beyond and implement new ideas if you have the energy and time.

These are the estimated minimum time commitments for the individual positions:

- EB and National Officers: *corresponding to a 15-30% position*
- Liaison Officers: *at least one AK/CoFo meeting per semester (in-person), all assigned meetings of the corresponding organization, all advocacy board meetings (2-3 per semester, online)*
- Coordinators: *can be expanded according to personal motivation*
- SVC: *varies greatly - 5-10% position*
- Exchanges:
 - National Exchange Officers: *corresponding to a 20-30% position*
 - Local Officers and Coordinators: *can be expanded according to personal motivation*

If you have further questions concerning time management, feel free to contact the person who currently holds the position in question or contact gs@swimsa.ch.

Candidature Procedure

The positions are elected at the delegates assembly (DV/AD) in spring by the delegates of the swimsa members for a term of one year starting from September 1st. If a position remains vacant, the person is appointed ad interim by the Executive Board (EB). The following positions are voted upon by the delegates:

- Executive Board
- NEO-In, NEO-Out, NORE, NORA, NPO, NORP, NOCB, NOME
- Advocacy Board Chair ABC
- Supervising Council

The rest of the positions (Liaison Officers, Coordinators and Pilot Projects) are appointed by the Executive Board when vacant or over the summer, usually also for a term of one year starting September 1st, unless otherwise specified. You can contact the EB directly if you are interested in a swimsa position that is not elected by the DV/AD.

To apply for a position the candidate should send a candidature to the General Secretary (gs@swimsa.ch) at the latest ten days before the DV/AD, or according to the deadline of the call for positions if the position is elected by the EB. The candidature package usually includes the following:

- Motivation Letter ($\pm$ 1 page)
- Plan of Action for your term ($\pm$ 1 page)
- Curriculum Vitae (1-2 pages)

These are only recommendations and not binding requirements. The candidate may decide the content of their candidature package themselves. Alternatively, for positions elected by the DV/AD, there is also the option that candidates apply directly at the DV/AD without submitting an application package in advance (a so-called room candidature). In all the formalities, it is important to remember that swimsa is a student organization.

During the DV/AD, all candidates have the opportunity to introduce themselves using PowerPoint slides for a duration of (usually) three minutes. Afterward, delegates are allowed to ask questions. Candidates are informed in advance via email about the exact procedure and the time slot allocated for their presentation.

Have we sparked your interest? Please contact gs@swimsa.ch if you have any questions about this procedure.
